Your MAGIC CARPET

Climb aboard and take yourself out of
the world of reality into A Thousand and
One Nights. As we travel along, think of
the dance, the play, the game, or any event

that truly made this year a great success,
one never to be forgotten.

May the name of York be on your magic
slate for the rest of your life!

School

Hard-Working Administrators Begin New Class Schedule

Under the leadership of Dr. Paul A. Young, our superintendent, many changes have had to be made to meet the problems of York's booming enrollment. One of the most noticeable changes has been the daily schedule of eight 42-minute class periods preceded by a home-room period, a plan which makes more classroom space available.

Mr. Young was instrumental in organizing the alumni association, which we hope will continue for many years. Right now he is putting through plans for a new cafeteria addition to the building which will do triple duty as a study hall and recreational space.

We hope that the plans Mr. Young, the staff, and the board of education have for York will work out successfully and that his years at York will be happy ones.

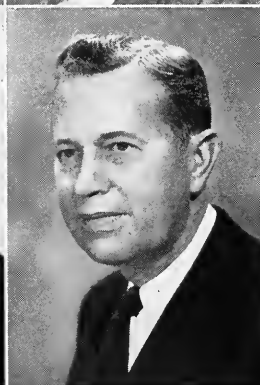

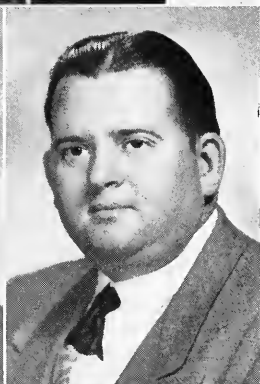

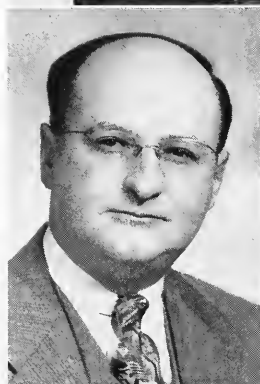

This genial man sitting here is Mr. Roy DeShane, our assistant principal. Besides being that, he is dean of boys, assisted by Mr. Knudson.

We can say that Mr. DeShane has a year-round job. No months of vacation for him during the summer, because he plans the students' and teachers' schedules, and what a job! Still you can see him around the halls with a smile on his face, for that is the kind of man he is.

All in all we think that Mr. DeShane is pretty swell and hope that he will continue to serve the students of York as loyally and unswervingly as he has in the past.

Booming Enrollment Keeps Board of Education Busy

TOP: Mr. William C. Kane, President; LEFT CENTER: Mr. E. W. Heimert, Secretary; RIGHT CENTER: Dr. Arthur G. Adams; LOWER LEFT: Mr. Clarence B. Caldwell; LOWER RIGHT: Mr. Roland C. Ashton.

The Board of Education of York Community High School is composed of a group of five citizens. Three of these men are from Elmhurst, and the other two are from Villa Park. The members are elected by the voters of District 88 for a period of three years each. In order that the members will not all be new at once, the terms overlap, and only two are elected each year.

It is the task of the board of education to supervise school operation and make school policies. Because of the large enrollment now and the larger enrollment to come, the work of the school board is an ever-increasing job. This year's board of education is composed of the following: Mr. William C. Kane, President; Mr. E. W. Heimert, Secretary; Dr. Arthur G. Adams, Mr. Clarence B. Caldwell, and Mr. Roland C. Ashton, board members.

Dean of Girls

This is the fourth year that Mrs. Bernice Anderson has been York's Dean of Girls. If you ever try to see her, you'll know she's very busy. Besides taking care of the problems of the many girls at York, Mrs. Anderson is co-sponsor of Girls' Club.

Operating Staffs Keep York Machine Running Smoothly

The operating staffs of York are a bunch of very busy people. The office staff works principally in the main office, board of education office, and Room 105. The maintenance staff operates throughout the building and grounds.

In the top picture on this page we see Miss Doris Danielson, who is Mr. Young's personal secretary and head of the office staff. Immediately below her photograph is Mrs. Ann Grass, in charge of purchasing and financial records and secretary to the board of education.

In the group picture at the left are Miss Jane Davis, acting registrar; Mrs. Zillah Novak, who finds time to act as receptionist and help with the many activities of the main office; and Mrs. Alice Chase of the duplicating service department, who makes copies of all those tests which students love so well.

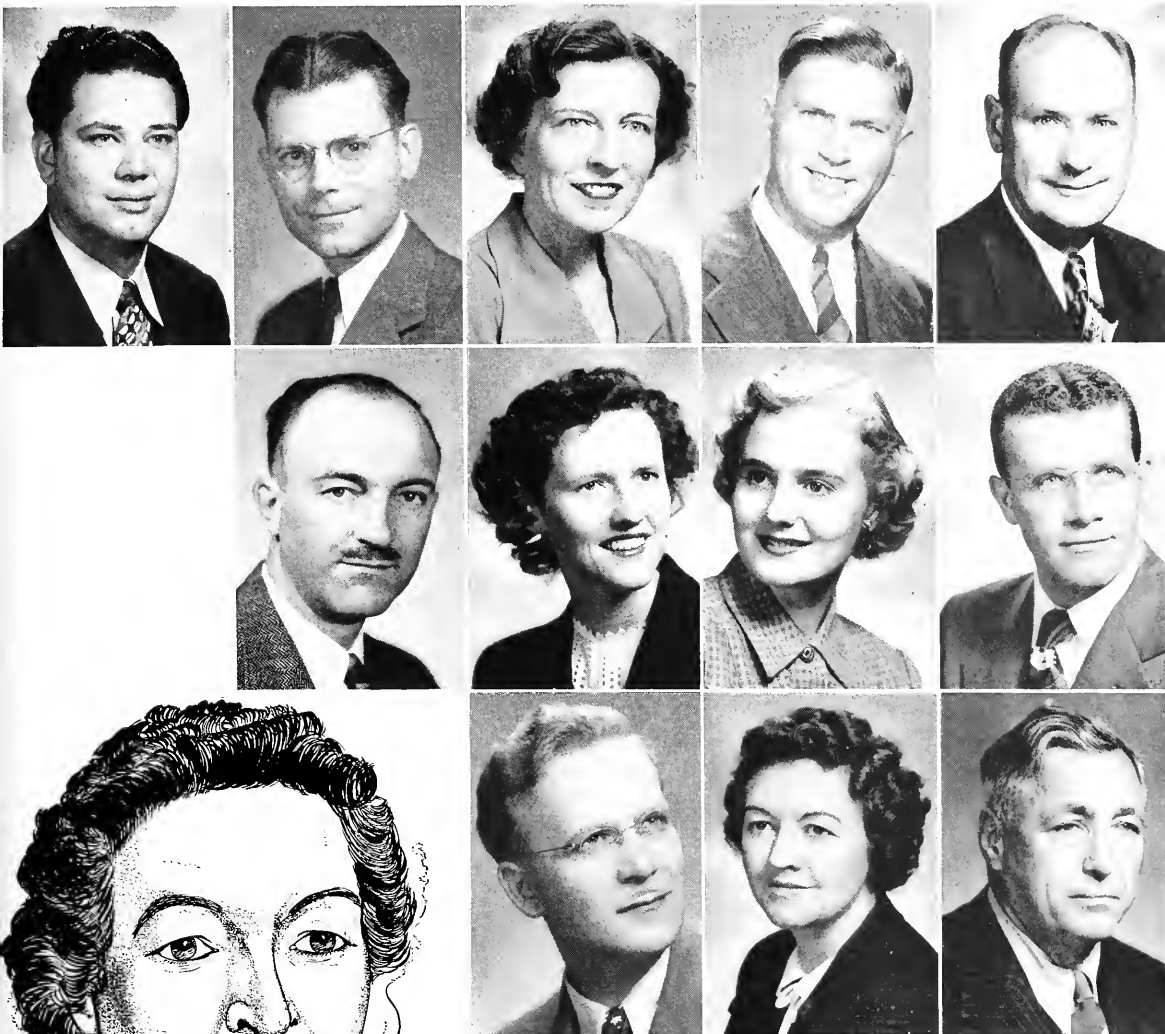

The other group photo shows Mrs. Barbara Hack, who assists Mrs. Grass with her duties; Miss Arlene Haussermann, who divides her time between the bookstore, student activity plan and insurance, bus-ticket system, and the financial office; Miss Mabel Cooper, attendance clerk, who keeps track of the whereabouts of some 1,800 students for 9 periods a day; and Mrs. Helen Holter, who assists Mr. Story with his college counseling and works in the administering of our school-wide testing program.

The smiling gentleman at lower right is Mr. Robert Kerr, superintendent of building and grounds. Mr. Kerr is in charge of the maintenance staff, and it is he who must keep track of the thousand and one details of the physical operation of our school.

For pictures of later additions to the staffs, see page 99.

Pictured in this scene of an Arabian Sultan's Court are the outstanding seniors of the class of '51.

On the left we see three lovely dancing girls who entertain the Sultan and his court. The farthest, Andy Leader, has held top honors through all of her four years at York. She's been in band, Thespians, Student Council Secretary, N. H. S., and almost all the play casts. Her most important achievement is winning the D.A.R. citizenship award. The next court cutie is Lou Little, who won her fame as Student Council's hard-working secretary. She has also graced Senior Choir, various play production staffs, the Operetta Cast, and Pep Club with her presence. Our last, but by no means the least, of the lovely ladies is Eleanor Aschmann. "Ellie" has had her fingers in almost every pie at York. Thespians, Quill and Scroll, and the **York-Hi** have occupied most of this busy girl's time. The handsome brute standing by the tent flap is Bud DeMoss. This busy boy has been Class President twice, the King of our first Homecoming, and in N.H.S. Unforgettable is his athletic record on the Football and Track teams. Next to Bud is Warren Woltman, alias "Yo-Yo," an outstanding individual who won fame as N.H.S. President, Historical Society President, and as the lead in the Senior Play. The smiling boy with the curly toes is Johnny Miller, the busy Editor of this yearbook. Johnny has been a member of Thespians for two years and has appeared in many productions on York's Stage.

The next smiling face you see belongs to Don Treppe, who has been Vice-president and President of Student Council. Thespians, football, basketball, and track have occupied this outstanding boy's time. Seated next to Don is Al Wendt, the Sultan of York's senior class. Al who transferred from Germany in his sophomore year, has been active also in N.H.S. and German Club. Kneeling behind Al is his right hand man, Vice-president of the Senior Class, Loren "Porky" Krause. Porky was also Vice-president of his Junior Class. An outstanding letterman, Porky has won honors in football, basketball, and golf. Seated next to Al is Carol Fenton, who reigns as Sultana of this famous court. Versatile Carol is Secretary of the Senior Class and has given much time to Pep Club and York-Hi in her past four years. The smiling girl with the water jug is Kay DeMoss, twin of Bud and the other half of the Homecoming King and Queen combination. Popular Kay was Vice-president of her Freshman Class and is chairman of the Assembly Committee. The dashing Sheik on the horse is Tommy Teschner, Treasurer of his class and President of Letterman's Club. This talented boy was captain of the varsity basketball team and one of its outstanding players. This illustrious group of students will remain long in the memory of the class of '51.

Morgan's Genii-uses Lose Minds Writing the Yearbook

This year we of the **Y's Tales** staff have decided to use **A Thousand and One Nights** as our theme.

Scheherazade enthralled the Sultan with her wondrous tales from her own imagination and thereby saved herself from a disastrous end. Each page of your yearbook holds a memory that you will always have to treasure and a story of its own.

Scheherazade's tales were of a fantastic air and were told in such a way that one would believe the story to have happened. Your **Y's Tales** holds in its pages your story of 1951, which only you can tell.

The yearbook is planned from the first page to the last during the year. Each page must have specific pictures, captions, names, headlines and comments.

To begin we first find a theme. Then headlines for the clubs, classes and various activities must be chosen and worded correctly. Each advisory must be named and placed in order according to class and alphabet. The captions under the club pictures and school activities have to be written up by staff members.

The staff members are placed in specific committees. These committees take care of the whole process of making and distributing the yearbooks. Besides these five committees there are student photographers who take about half the pictures appearing in the yearbook.

Miss Johnson is the director of the art staff for the book. The clever pen and ink sketches, the division pages, the end paper, and the cover design are done by these students, who also plan the layouts for the opening section and outstanding senior pages.

The business staff workers keep records of orders and payments. They also are in charge of distributing the finished books.

The administration committee arranges the opening pages devoted to faculty, principal, board of education, deans and staff employees.

The School Committee checks the names and handles the arranging of underclassmen pictures.

The activities committee writes up the captions of clubs and school organizations.

The senior committee finds out the extra curricular activities of the seniors and arranges their portraits.

Sports committee devotes their time to making sport pages.

With all of these committees working together, and with your taking part in our Y's Tales book, and with the help of Mr. Morgan, the sponsor, we bring you the yearbook of 1950-51.

National Honor Society is open to the chosen few. For admittance to this group a student must be voted for by his classmates and the faculty. Students may be elected in their sixth semester or their eighth semester. Those elected in their sixth semester constitute the active part of the society. The newly elected members are presented with their pins at the Induction Tea.

During the school year, National Honor Society's members ushered at all the dramatic events and band and choral concerts. They also ushered at a few of the community productions, and they gave York's faculty a Christmas Tea.

The organization presents a dance in the spring. This year they made their sock hop an annual affair. People attending this dance check their shoes at the door and dance in their socks. It seems York's intellectual Maharajahs and Rahnees sponsor the craziest dance of the year.

QUILL AND SCROLL MEMBERS AND OFFICERS: Fleury LeSage, Treasurer; Eleanor Aschmann, Vice President; Walter Karasek, President; Bob Leishman, Miss Davis, Roxi-ann Parker, Joan Schmidt, and Jackie Stumbaugh, Secretary.

Literary Yorkites Yearn for Quill and Scroll Pin

"The pen is mightier than the sword." This saying is firmly believed in by the members of Quill and Scroll.

Quill and Scroll is an honorary journalism society at York. Students are selected for doing outstanding work in one of our two journalism staffs—the *York Hi* or *Y's Tales*. Only juniors and seniors are eligible for this club.

There are certain requirements to be met to become eligible. They are primarily the same, but have one or two differences according to the staff. The *York Hi* has it set up so that a candidate must have 45 inches or 45 working hours in the paper; he must be in the upper one fourth of his class; and have good school citizenship. The *Y's Tales* requirements differ in that one can be eligible only if he is a chairman of a committee, a photographer, the business manager, or the editor, or has contributed an unusual amount of time. The grade standard and citizenship standard still hold true.

Quill and Scroll brings members in twice a year—once right after the second semester starts and again at the end of the year. At the time of the first initiates coming in, the organization holds its annual dinner. This is the highlight of the year.

Quill and Scroll sponsors delegates to the Scholastic Guild's press conference in April. Members are also seen selling at concessions at various games throughout the year.

This semester the organization took in thirty-six new members to add to the seven already in it.

The officers of Quill and Scroll for this year are Wally Kareseck as president; Eleanor Aschmann, vice-president; Jackie Stumbaugh, secretary; and Fleury Le Sage, treasurer. Miss Davis is the very capable faculty advisor for the organization.

The York Hi

Ali Baba's forty thieves might have been pretty efficient but Miss Davis's crew can give them a run for their money.

This year's York-Hi staff has a terribly tough job to do keeping up with the past years' staffs. So far they have been doing a wonderful job by winning the George H. Gallup Award for the fourth consecutive year. All York-Hi members hope this will be an inspiration for future years to come.

The York-Hi undertook the sponsoring of this year's March of Dimes Drive, which netted a grand total of \$164.73. The Junior class topped the list with a contribution of \$29.53. Guess who was second? Yep, it was the Freshmen contributing \$27.92, while the Sophs were next with \$27.92, and the mighty Seniors were last with a contribution of \$27.22. The biggest collection was made at the regional basketball games where \$45.83 was collected.

This year was the first in which the printing was done almost entirely by the boys in York's print shop. Last year they undertook the work of putting forth the paper with most of the work being done by Mr. Woodburn. But the times have changed and the boys are doing a grand job.

This year members of the York-Hi staff are going to enter the Scholastic Press Guild contest in which prizes and awards are given to students entering the best selections in different phases of writing, such as the best news story, best feature, best sports story.

The York-Hi also sent a delegation to the University of Illinois for a convention in which ways were discussed to improve Illinois High School newspapers. Miss Davis also gave a talk on the newspaper column.

Interest in the York-Hi has been steadily improving. This is the first year they had to refuse ads because of a lack of space. Let's hope in the future that other staffs will work as hard as those that preceded them.

Chopp's Snake Charmers Make Merry Music on Third Floor

The York band does many interesting things under the able direction of Mr. Chopp. They give two big concerts a year, one in the fall and one in the spring. They play for Mother's Day, Memorial Day, Commencement, and numerous other affairs. They also sponsor a dance in the late winter.

From the personnel of the Concert Band come those ambitious souls who make up the marching band, which goes out on Lithgow Memorial Field and gives a very interesting performance between the halves of the football games. It also provides the pep band which plays at the home basketball games.

Some of the highlights from their fall concert were "Yankee Doodle," by Gould, Tschaiowsky's "Nutcracker Suite," selections from the ever popular "Roberta," by Jerome Kern, and "Entry of the Gods into Valhalla," from Wagner's "Das Rheingold." In their spring concert they will play "Tales of the Vienna Woods," by Strauss, "Finale from the New World Symphony," the "Bobby Sox Suite," which has been popular with York's audiences in recent years, and two movements of the "Andante Cantabile" from Tschaiowsky's Fifth Symphony.

In May, they will give their annual Mother's Day concert and play for the Memorial Assembly.

This year the band will again hold an Antique Fair to raise money for the Bandors and because it was so well received last year. In past years the band has gone on tours to Wisconsin, the State Capital, and Washington, D.C. It has not been decided yet if they will go on tour this year.

York's band was also well represented in the District Music Contest this year. They provided several ensembles and soloists which came out with high honors.

All in all the band at York is a fast moving and essential organization to the extra-curricular program. It is hoped that in the future, the band will continue to do as splendid a job as this year and to continue to hold the community's and the students' interest in its affairs.

Songsters of Senior Choir Charm York with Their Skill

York's music department has come a long way since it was first organized in the school year of 1938-1939, and with it has come the Senior Choir, the shining hope of every York songster. The Senior Choir, or A Capella Choir, as it is sometimes known, is the aim of all York students in the music department. This is a special group of talented singers, which is about ninety singers, selected by Mr. Harris, the director.

From among these Pinzas and Ponses there come especially talented singers who comprise vocal ensembles. They are the girls nonet, which has capably performed before, and two newcomers — the boys' nonet, which replaces last years boys' quartet, and the mixed octet. These are equally fine.

Although the choir didn't put on an operetta as it did last year, it still comes forth with its fine fall and spring concerts. Along with these presentations the choir also sings at the annual Christmas assembly which is highlighted by the traditional processional, "O, Come, All Ye Faithful," and at the Easter assembly. It presents a Vesper Concert which Mr. Harris has hopes of making an annual affair. The ensembles also sing at these occasions and outside dates, such as singing for the Lions Club and Women's Club.

SENIOR CHOIR: Front Row: Mr. Harris, Shirley Feist, Lucille Roth, Joyce Goeller, Shirley Fullmer, Phyllis Pfund, Pauline Belan, Joanne Carlson, Sally Butler, Marjorie Wiegand, and Dawn Benson; Second Row: Joan Harkins, Doris Sumner, Marilyn Oberg, Carol Siegfried, Marylyn Becker, Frances Prosek, Marlene Erlandson, Bill Elwell, Dwight Fox, Ronald Robel, and Richard Tilly; Third Row: Caroline Sturm, Peggy Strane, Alice Koenecke, Jim Royer, David Edwards, James Faulstich, John Harris, Bob Ancker, Marvin Patz, Willard McDaniel, and Frank Postula; Fourth Row: Barbara Slacks, Marjorie Erickson, Carolyn Larson, Francis Nicoll, John Dieterich, John Edwards, Bob Winemiller, Dick Schneider, Dan Butterfield, John Coseglia, Philip Mazzone, Jack Larson, Austin Swartz, Richard Lawler, and Allan Meyer.

Senior Choir Is Final Goal for All Ambitious Singers

At the Fall Concert the choir opened with its traditional theme song, "Going Home." Following in order were "The Cherubim Song No. Six," by Tschaikowsky; "Hallelujah Amen," from Judas Maccabaeus by Handel; "The Holy City," by Adams; "Oh, Dear, What Can The Matter Be?" arranged by Kubik; "A Tribute to Romberg," which included his most famous songs, such as "One Alone" and "Stout Hearted Men"; and, in closing, the theme song.

The ensembles pitched in with the girls' Nonette singing "Waltz of The Flowers," by Tschaikowsky, and "Beautiful Dreamer," by Foster, while the Boys' Nonet sang "All Through the Night," a Welsh folk song; "Kemo Kimo," arranged by Wilson; and "Great Day," by Youman.

Highlights of the Vesper Concert were solos by James Netrefa singing "Ave Maria," Marilyn Becker singing "The Lord Is My Light," and Carol Sturm singing "The Holy City." Also there were incidental solos by James Faulstich and Jack Harris.

The Senior Choir is altogether voluntary. Anyone who participates in it is doing the singing completely on his own will. The members give their school time and often outside time to prepare for their various concerts and programs. This vocal group is one of the finest of its kind in Chicagoland.

SENIOR CHOIR: First Row: Claudette Bauer, Connie Wolfe, Betty Fellows, Caroline Shaffer, Lou Little, Gwen Poltrock, Pat Kaufman, Marge Gampert, and Peggy Pool; Second Row: Joe Belleson, Jerry Wheeler, Dick Beal, Dean Hill, Mary Ann Kaste, Pat Phillips, Jackie Frendreiss, Marion Heimert, Sharon Christianson, Jean Seuls, and Alice Hyers; Third Row: Jim Nétrefa, Tom Thorsen, Jim Popp, Leonard Neumann, Tim Jager, Allen Myers, Pat Moore, Diane Welshmyer, Jean Goltermann, Shirley Reutenbush, Barb Beckman, and Dorriane Anderson; Fourth Row: John Green, Henry Harger, Jim Bueche, Herb Stewert, Paul Stevens, Walter Larkin, Jack Langille, Wayne Mahood, Bob Conlin, Bill Kaste, and Jim Faulstich.

Talented Troubadors Thrill Yorkites with Tricky Tunes

Of York's many acclaimed choral groups, the Boys' Nonet, the Girls' Nonet, the Boys' Glee Club, and the Octet are the most enterprising. These groups sing at many of the various concerts put on by the music department.

The newest of these groups is the Boys' Nonet, composed of nine troubadours who specialize in close male harmony.

The powder and ruffles are worn by the prettier side of music or the Girls' Nonet. Any sophomore, junior, or senior girl is eligible for the nonet, but only after rigorous tryouts.

The Boys' Glee Club combines the talents of sophomore, junior, and senior boys to produce songs that prove to be easy listening.

Both boys and girls blend their voices as the talented people who deserve to be in the Octet. This group specializes in singing songs that are pleasing as well as entertaining.

Almost any hour of the day one can walk down the halls of York hearing the sound of York's songbirds—from the lowliest frosh to the loftiest senior.

The choruses of York present an annual Fall and Spring Concert at which they are always received beautifully. Besides the annual concerts, the choruses sing at many other functions, among them the annual Christmas assembly at which the Senior Choir marches down the aisle singing "Oh Come All Ye Faithful."

Freshman Chorus is the first step toward Senior Choir. It is open to all freshmen who have signed up for a chorus. It seems that this year's freshmen must be greatly inspired by music, for they have the largest number of students of all the classes taking choir. This year at the annual Fall Concert they sang "Praise Ye the Lord," by Saint-Saens, "Cruising Down the River," arranged by Stickles, and "Oklahoma," by Rodgers. The Freshmen Chorus has an annual job of singing for the visiting eighth graders.

The Sophomore Chorus consists only of sophomore girls. The program of the Sophomore Chorus at the Fall Concert included "The Lord's Prayer," by Mallotte, "Just a Wearyin' for You," by Bond, "Of Thee I Sing," arranged by Gershwin, and "Without a Song," by Youman.

The Girls' Glee Club is composed of sophomore, junior, and senior girls. It was just added to York's many choruses last year. At the Fall Concert they sang Romberg's "Serenade," "All the Things You Are," by Kern with an incidental solo by Janice Sommers, "When Love is Kind," arranged by Trinkaus, and the popular "Tzena, Tzena, Tzena," by Ross.

The Treble Clef consists of junior and senior girls. It is the last step in the long climb to the Senior Choir. They sang "Why Was I Born," by Kern, "In An Old Dutch Garden," by Grons, "Dancing in the Dark," by Schwartz, and "Ol' Man River," by Kern at the Fall Concert.

York's choirs, under the very able direction of C. Eldon Harris, are doing very well and will show much promise as future members of the Senior Choir.

Junior Band Keeps Things Jumping at York

The York band personnel has been divided into the Concert Band and Junior Band.

The Junior Band is mostly made up of freshmen, although there are some upper-classmen in it. This band gives two concerts. In their fall concert they played "Spring, Beautiful Spring," by Lincke and "Overture Erocia," by Spornicha. In their spring concert they will play "Rhythm Moods," Marcho Polo," and "Spiritual Rivers."

This band is meant to be a training band for the Concert Band. The purpose is to have members develop more polish and rehearse music of high-school level. Since the Junior Band is just starting this year, it remains to be seen whether this new band will prepare the members for a better Concert Band.

The orchestra, although not participating in many events this year, is a part of the band organization.

We hope that in future years more people will try out for orchestra and perhaps we will be hearing more from them.

Meetings are held once a month at which there is a business meeting, recreation, and refreshments. Every year the Music Club sponsors its annual Music Club Dance which always proves to be both a delightful and successful evening. The club also takes occasional trips to Chicago to see musical programs, musical plays, and movies.

One of the most popular as well as educational clubs at York is the Historical Society, which was organized in 1938. At the present time under the sponsorship of Mr. Maclear, the club brings to the members' attention facts not studied in regular history courses. Being an active member in this organization is of great value to a student.

Seniors who have a full credit in American history and second-semester juniors are eligible for membership. To acquire a pin, a senior must fulfill certain qualifications during his first two semesters of membership.

One of the activities of this organization is to sponsor several assemblies during the year. This year, it presented the Armistice Day assembly and a February program honoring Lincoln which were both well received.

In former years it has been the custom for the Historical Society to take several field trips during the school year. This year the members voted against the field trips. They felt that people were just joining for these trips and really wouldn't take an active interest in the club. In place of these field trips, Historical Society has engaged several speakers to talk to the members throughout the year.

The Sultan of Persia had Scheherazade to entertain him. York has Thespians, a club for those talented young actors and actresses who have visions of performing before the great white lights on Broadway. Their achievement, under the direction of Miss Doris E. White, for this year is Drama Night, consisting of three one-act plays. *The Pot Boiler*, a travesty, *The Case of the Crushed Petunias*, a lyrical fantasy, and *Shall We Join the Ladies?*, a mystery, were highlighted this year.

Thespians is open to all sophomores and juniors who are dramatically inclined. He or she must serve for one year as apprentices, engaging in acting or production work. Those who have accumulated enough points are then honored by becoming a full-fledged member of the club and are eligible to wear the Thespian pin, one of the most attractive emblems worn by York students. The pin is in the shape of a T with two masks representing comedy and tragedy.

During the academic year the activities regularly engaged in by the Thespians are a dinner for apprentice members, a trip to Chicago to see a professionally-staged play, the production of Drama Night, the sponsoring of a social hour, and initiating those who have completed their apprenticeship.

Color of the Roman Banquet Equal to Arabian Nights

Guests at the Roman Banquet have humble slaves at their command during the entire evening, are presented with wreaths to ward off evil spirits, watch the dance of the water carriers, and are entertained by a magician. The banquet is closed with the beautiful and stately dance of the Vestal Virgins to honor the goddess Vesta.

To enchant the Sultan, Scheherazade might also have told of the activities of the Latin Club, which began with the Latin Club Capers, a skit which was put on for the Freshman Day assembly. The year progressed with the annual treasure hunt; the Mercury gram booth at the Hallowe'en party; the November bingo game; the colorful Cena Roma; the salutatory for freshmen; the Ludi Romani, or Roman Games; and last but not least the tea at which the active seniors received their pins.

BOTTOM RIGHT: SLAVES AND SENATORS AT BANQUET: George Chipain, Fred Curry, John Eberhardt, Larry Curtin, Arnold Sulfako, Etan Huben, Mahlon Slocum, and Philip Joy.

It is too bad that among the tales she told the sultan, Scheherazade was unable to tell of the Latin Club at York. This club is one of the school's oldest and most active clubs. To become a member one must be a student taking either Latin 10, 11, or 12, or a freshman who has received an A for his first semester of Latin 9. Mrs. Larson and Miss Howe are co-sponsors of this organization.

Scheherazade might have told of the exciting story of Latin Club's annual Roman Banquet, which is one of the most colorful and unusual events at York. The banquet takes place during the first part of December and is held in the Beautifully decorated Girls' Gym. Statues of the gods, murals, drapes, and plants are set up to resemble an atrium of ancient Rome with a small fountain in the center of the room. The guests start arriving at a fashionable home in the evening dressed in the typical Roman costume.

LOWER RIGHT: Fred Bosselman makes a striking silhouette with pipe and stein.

Among the oldest and largest clubs at York stands the German Club. The meetings are held once a month under the supervision of Miss Evjen, the sponsor.

The Kaffee Klatsch is the biggest event of the year. This gala event is similar to a tea. Waiters, who are dressed in short pants and bright suspenders topped with daisies and sunflowers, serve faculty guests and members. The faculty is literally brushed off by the waiters. (As each teacher comes in, a waiter gives him "once-over-lightly" with a whisk broom and then polishes his shoes.) The meal consists of Vaterland delicacies and is accompanied by music from a little German band.

At Thanksgiving a game is played with a basketful of food. In order to receive a tidbit, the members must name it in German. The students learn many of the German customs and folkways by playing such games at their social gatherings.

Another annual event, held at the last meeting, is the farewell to the graduating senior members. Membership is open to all students who are taking German. Pins and other honors are earned by a point system. The points are earned by contributing to the club and taking part in its activities.

Yorkites Practice Old Spanish Customs at Xmas Party

CHRISTMAS PARTY: Joanne Chant breaking the Piñata.

SPANISH CLUB MEMBERS:

First Row: Gene Dramm, Fred Omundson, Robert Mrazek, and Leroy Beghtol; Second Row: Mr. Michaelsen, Eugene Holderman, Don Rosenwinkel, Pat Whitaker, Joe Belleson, Jim Soukup, and Mahlon Slocum; Third Row: Joan Clifcorn, Wilda Williams, Anna Cohan, Marilyn Eberhart, Joanne Chant, Pearl Rogers, Carolyn Whitaker, Lois Albertson, Theresa Hansen, Muriel Hanson, Nancy Ness, Millie Benedetto, Arlene Mueller, and Margo Brockman; Fourth Row: Ruth Curtis, Marion Holt, Martha Jane Russell, Sue Schible, Betty Buchman, Barbara Riner, and Polly Ferdinand.

OFFICERS: Pat Whitaker, Secretary; Bob Marazek, Treasurer; Pearl Rogers, Vice-President; and Margo Brockman, President.

York's Spanish Club, sponsored by Mr. Michelsen, was formed in 1921 and is York's oldest organization. Although it was organized thirty years ago, its purpose is still the same, to encourage friendly relations with our neighbors to the south. Every year the members have a gala Christmas party, observed in typical Spanish style. The main feature is the gaily decorated candy-filled bag, known as the Piñata, which is knocked down by someone blindfolded. When the bag is broken, everyone runs to get his share.

The club meetings are held once a month. Students volunteer for the committees which arrange and put on programs.

Any sophomore, junior or senior is eligible to join if he has taken or is taking Spanish. Freshmen can join the second semester if they have a B average.

A pin is awarded to students who have earned twenty-two points. Points are earned by taking part in programs, donating refreshments, and doing the thankless task of cleaning up after parties.

"Parlez-vous Francais?" Is Main Question of French Club

FRENCH CLUB MEMBERS: **First Row:** Claudette Bauer, Bonnie Kane, Virginia Hathorne, Sharon Christensen, Marion Heimert, and Judy Hendrickson. **Second Row:** Elsie Plizenmeyer, Dolores Marcis, Patsey Daniels, Judy Johnson, and Barbara Betz. **Third Row:** Judy Weinbauer, Pauline Belan, Holly Bauden, Linda Luchetta, Joan Kauskre, Ellen Menard, Marge Hanson, and Marilyn Gunderman. **Fourth Row:** Jim Watson, Larry Swayda, Earl Riter, and Richard McDonald.

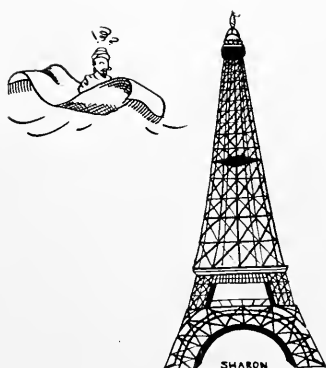

FRENCH CLUB OFFICERS: Cathie Hahn, Vice President; Sally Mills, Secretary; and Joyce Damron, President.

The French Club, one of York's busiest and most popular clubs in former years, has just begun activities after several years of inactivity. Even though it has been re-established only a short time, it is fast becoming as active and popular as it was before.

The purpose of French Club is to further the French students' interest in the French language and nation. Membership is open to any second year French students, or to any first year student with a "B" grade average. Also any student who has taken French previously is welcome to join.

The meetings are usually devoted to having various programs concerning the French people or to playing French word games. Over the Christmas holidays they carried out a project of selling Christmas wreaths. This proved to be very successful and profitable to the club.

The members, at the present time, are occupied in selecting a club pin which any member may buy. Guards for the pins will be awarded according to a point system.

Wizards and Wisemen Puzzle over Perturbing Problems

MATH CLUB OFFICERS: Bob Winemiller, President; Dorothy West, Secretary; and Gertrude Gaus, Vice-President.

MATH CLUB MEMBERS: Standing: Larol Langler, Sharon Harte, Albert Smith, Marjorie Wiegand, Jim Dane, and Mahlon Slocum. Seated: Marshall Esty, and Carol Ritzman.

The Math Club, which is sponsored by Miss Heinemann, is an organization especially for students who are mathematically inclined—so come on and join, all you would-be Einsteins!

The annual picnic at the end of each year is an event much anticipated by all of the club members.

In this year's initiation, the new members were forced to work difficult examples on the board, while the "old timers" helpfully coached them.

Ample opportunities are at hand for any math enthusiast to display his skill in solving perplexing problems. There is a yearly meeting when each member brings an arduous problem to be worked out by other members. Also, many fun filled "slide-rule sessions" are held. Each member comes equipped with his trusty slide-rule, all ready to compute answers to square roots, theorems, and the like. In addition to these numerous activities, informative films are occasionally shown. The problem-of-the-month contests also provide a lot of fun for club members.

Obviously enough, the aim of this versatile club is (in the president's own words) "to work math and have fun while doing it."

The Science Club is one of the newer clubs at York. A member of this club must have a B average for one semester of General Science 9.

The object of the club is to promote interest in science. During the year the members try to increase their knowledge and perfect their skill in the field of science so that in the future years they will be of service to their communities and nation. During the meetings they stress the importance of science in everyday living. The members of York's Science Club help to carry out the program of the Science Clubs of America.

This year Science Club earned the money which they donated to the March of Dimes, Cancer Foundation, and to the Heart Fund by selling pop and candy at the basketball games and presenting the spook house at the Hallowe'en Party.

Membership to the Home Economics Club is open to all girls who have taken or who are taking Home Economics. The purpose of the club is to promote interest in homemaking.

The club climaxed the year with its annual event, the style show, titled "Dorm Daze," paralleled with a bazaar. Girls, modeling their own garments, were selected from the twelve clothing classes to participate in the show. Following "Dorm Daze," the bazaar booth attracted much attention. Craft work made by members of the club was sold at this time. Refreshments were served to the girls and their guests.

The club entered a float in the Homecoming parade last October. The float, depicting a LaGrange football player being boiled in a steaming stew kettle, won second prize in the club division. The club was really proud of its work since it had won out over some thirty other floats.

Members of the club exchanged gifts and had a small talent show for the Christmas party. At this time the new members were initiated into the club.

Club pins are awarded to members on a point system. The points are earned by serving on committees, being an officer, selling at games, and by doing other miscellaneous work.

The club's activities are sponsored by Mrs. Haave and her co-workers of the Home Economics department who did much to make the club year a big success.

Girls' Club, York's Largest Harem, Has a Busy Year

York's largest club, guided by Mrs. Anderson and Mrs. Bass, has had another busy year! To start the year rolling, the Big Sisters met with their little sisters, the incoming freshmen. Next, Girls' Club sponsored the annual Bow Week. During that week there is a race to see which class can buy the most bows.

The Hallowe'en Party was again organized by Girls' Club; other clubs were asked to participate. At Christmas, the club entertained some children from a children's home.

Several new activities were introduced in the Girls' Club calendar. One was to have breakfasts during home-room period. Another was to give lobby teas. The third was to give a talent show composed of Girls' Club members only.

On Saturday, April 7, the annual Girls' Club Conference was held at Morton High School. York sent 30 representatives. The final event of the year for Girls' Club was the Mother-Daughter Tea and the installation of officers.

A great boon to juniors and seniors who are taking a subject in the commercial field is the York Commercial Club. The meetings not only are entertaining and colorful, but they instruct members in how to be successful in the world of business.

Quite frequently people from the business world visit the meetings to speak about proper behavior, dress, and qualifications of a good secretary or executive.

This year the club made a trip into Chicago to see the Business Machines Show. They also attended the Business Students Conference and had dinner in a downtown restaurant. One of the highlights of YCC's activities is the much anticipated picnic held in the spring.

In order to promote better attendance among many members who work after school, the club now has its business meetings during the home-room period.

Pity the poor greenhorns who must undergo the rigorous initiation rites to become a full-pledged member of this organization! In this year's initiation, each initiate was forced to roll a peeled onion with her nose across a row of desks.

Round Table Wizards Rage about the State of the Union

The Round Table of York is open to any student who is interested in public speaking, debate, and discussion. The advisor is Mr. Van Norman and the meetings are held twice a month.

Formerly the Debate Club, the organization was renamed Round Table in 1949.

Topics for discussion are changed for every meeting. The topic titles range from the sublime to the ridiculous. Round Table discussions are mostly made up of serious matters, and the members sometimes get into pretty deep discussions.

The point system is still being used. A member must earn at least thirty-one points before he is eligible to receive a pin. These points may be earned by participating in debates or discussions, by attending the meetings, and by selling at sports events.

Round Table members have a lot of fun arguing over details, even though sometimes it is just for the sake of arguing. At the same time, they learn how to present and expound information correctly and fully in the shortest time possible.

ROUND TABLE OFFICERS: Carol Lynn Ritzmann, Secretary; Tom Burrows, President; and Marjorie Wiegand, Vice-President.

ROUND TABLE MEMBERS: Marion Heimert, Allison Merriam, Marshall Esty, Joyce Dol-ezal, Ronald Robel, and Jane Swanson.

The Equestrian Club at York is one of York's newest and most interesting clubs. Even though it is only in its second year, it has awakened the interest of quite a few students. The object of the club is to increase interest in riding, and love of the outdoors among York students.

The meetings, under the sponsorship of Miss Evjen, are held every Friday after school, where plans are made for rides and parties. The most important function is the group rides the members take every Saturday. Many of their Friday meetings were occupied in the hard work of writing a constitution for the club. The meetings of Equestrians are opened to any student at York. Even if you don't know how to ride but are interested, you will be welcome to join the club and learn. The only real qualification is an interest in riding.

The club's activities are many. Every year it is the club's policy to take a field trip to some point of interest to riders. Last year the club went to see the International Horse Show in Chicago. A good time was had by all! Aside from this trip, their weekly rides at various stables in this area keep this bunch of kids as busy as bees.

Square Dancers Resemble Sultan's Dancers of Arabia

The popular Square Dance Club, at present sponsored by Mr. Kelly, was formed three years ago through the efforts of Dean Tierney, president in 1948.

This year Bob Leishman is president and is doing a wonderful job running this popular club.

The meetings are held once a month in the girls gym, and at each meeting there is a square dance with a caller. The two most popular callers who came back again and again were Mrs. Paul Plaumb and Mr. Fred Tesnow, who donated their services to the club. Their help is really appreciated by all the members. Refreshments are served at all of the meetings to everyone's delight.

At these meetings the members learn folk dances and the simple square dance steps. Mr. Tesnow taught them two standard folk dances, Ting-a-ling and Hot Pretzels. Mrs. Plaumb taught the members the Alamand Left, Dip and Dive, and many other interesting square dance steps.

The members all agree that they have had a very wonderful year with some enjoyable experiences.

The Junior Red Cross Club, founded in 1940, has for its goals: service, health, and education for better citizenship.

The sponsors this year are Miss Hibbard and Miss Mahre.

This year the Junior Red Cross Club has filled boxes to be sent to veterans hospitals for Christmas. Into these boxes were put handkerchiefs, books, cigarettes, shaving cream, and stationery.

The "Evening in Paris" dance was sponsored by the Junior Red Cross. They also collected one hundred and sixty-five dollars during their contribution drive. They had a float for Homecoming which depicted the supplies needed for the comfort of a patient.

This organization is mainly concerned with helping people in disaster-stricken areas and any other person in distress.

The Junior Red Cross, of which York's Club is a chapter, is separate from the regular Red Cross organization. The members of the group do not participate in any activity of the Senior Red Cross except that of collection money in their drives.

Pep Club Sponsors York's First Homecoming

HOMEcoming CHAIRMEN: Clockwise: Diane Welshymer, General Chairman; Joyce Hartley, Bonfire Chairman; Mike Cody, Game Chairman; Shirley Falter, Program Chairman and drive committee; Jean Goltermann, Dance Co-Chairman; Doris Strickland, King and Queen Chairman; Peggy Pool, Parade Chairman; and Pat Moore, Dance Co-Chairman.

OFFICERS OF THE PEP CLUB: Shirley Falter, Treasurer; Mike Cody, President; Ken Moy, Sergeant at arms; Peggy Pool, Secretary; and Joyce Hartley, Vice-President.

York's Pep Club has really had a bang-up year! It was led through its tremendous activities by the guiding hands of Mrs. Hofstetter, Miss Powell, Mr. Meitz, and Mr. Cady.

Pep Club's largest project of the year was to sponsor York's first Homecoming, which was held November 10 and 11. The whole week-end was a huge success. On Friday afternoon, someone set fire to the material which Lettermen's Club had collected for the bonfire. Friday after school, the student body pitched in and helped. By Friday night, when the real bonfire was held, it was bigger and better than before. Following the bonfire, a snake dance was started. It went through Villa Park and Elmhurst up to the Youth Center.

On Saturday, the Homecoming Parade took place. There were 28 floats and two bands in the parade. The music was furnished by the York High School band and the Ardmore Junior High School band. Prizes were given for the best floats. Student Council beat all other clubs for first place. Among the four classes, the sophomore class float was judged the best.

Even though La Grange beat York in the football game, the spirit wasn't dampened. On Saturday night, the Homecoming Dance was held, and the largest crowd ever to attend a club-sponsored dance turned out. There were over 750 people!

Besides the Homecoming Dance, Pep Club sponsored the annual Basketball Dance. This dance, called "Spring Fever," was also a huge success. In order to have continuous music throughout the evening, two bands were employed to play at different intervals.

Another project of Pep Club was the selling of "York-Hi" decals, which are now being sported on many York cars.

York's Athletic Harem Meets Other Schools on Playday

The purpose of the Girls Athletic Association is to better sportsmanship, increase skill, and broaden the girls' knowledge of sports. The club meets twice a week and has a business meeting once a month. The sports that are presented in the fall are hockey, soccer, archery, and tumbling; in the winter there are bowling, badminton, and volleyball; and in the spring, tennis and softball.

Some of the other activities that are held during the year are the Christmas pot-luck supper, where the new members are initiated.

One of the highlights of the year is the annual playday. On that day the girls, from the neighboring high schools, who have been chosen to attend, meet at the school which has been selected for the year. This year's playdays were held at Proviso and Wheaton.

The day starts with a half-hour social, followed by games. Some of the games are: badminton, baseball, volleyball, tennis and soccer. The girls do not play against each other, but with each other. Then the girls eat their lunches and end the day by singing songs.

At the annual Mothers' Tea held in May, awards are presented to the girls who have earned them. To receive an award, the freshmen girls must earn six hundred points; they receive the Local Award. The sophomore girls must earn twelve hundred points and receive a letter "Y." The junior girls must have sixteen hundred points to receive the State League Award, and the senior girls who have a total of two thousand points receive the State League Emblem.

Just in the past couple of years the G.A.A. has started tournament play. The teams play basketball until the end of the basketball season; then two winning teams play a game to determine the team in first place. The team which wins has its captains' and players' names engraved on a plaque.

The club sponsor is Mrs. Hofstetter; the co-sponsor is Miss Powell.

The Lettermen's Club is the aspiration of a great many boys in York. As the name signifies, one has to be a letterman to be eligible.

One of the functions of the club is to sell programs at the basketball games. This year the duties amounted to selling programs at the games and keeping order at the post-season tournament held at York. Out of the club's treasury this year comes money for pictures of the different holds of wrestlers.

There are meetings during home-room every other week with a few social evenings during the year. One of the high spots of the year is that big initiation when new lettermen are inducted.

Sheiks of York Experience Rough and Tumble Season

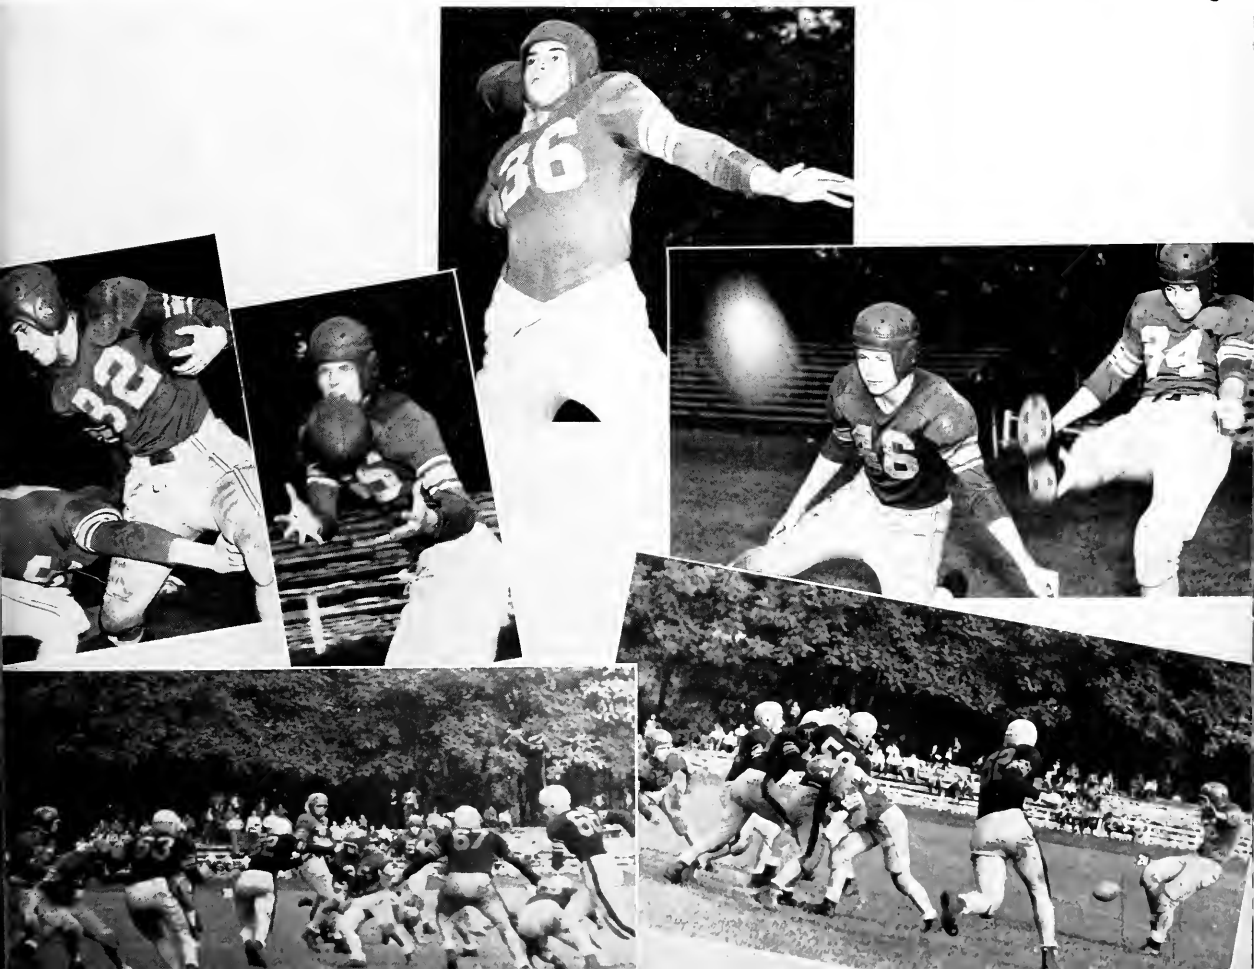

The Dukes won one game and dropped five in their conference play this year. That was excellent, considering the previous year's record. This put the Dukes in a tie with Riverside-Brookfield for sixth place in the West Suburban Conference standings. In winning this game, the Dukes broke their losing streak of 20 games by crushing Downers Grove, 13 to 6. Downers was the West Suburban Conference champion in 1949-50.

As in the previous year, Coach Ferry had a small turnout. There were about 41 boys to select from for the game with mighty Evanston. In preparing for this game, Coach Mahood sent the line through their tough paces, and Coach Kietter took control of the elusive backs. The game ended in Evanston's favor, 53-0. The season came to a climax when the Dukes faced La Grange. It was a thrilling game that ended in a disaster for our grid-iron heroes, 32-0.

The co-captains for the 1950 season were Bud DeMoss and Jack Hercher. DeMoss, the Duke's dashing back, went across the goal line time and time again to receive third place in scoring honors in the W.S.C. with 54 points. Hercher with his elegant toe kept the Dukes out of trouble during the season by making miraculous punts.

DeMoss was also honored by being placed on the first string All-West Suburban Conference Squad. Ed Schoenfeld, who worked hard at the tackle post, received honorable mention along with Loren Krause, a skat back, who in spite of an ankle injury recovered enough to play.

The light, but fast, unsung heroes of the line which sparked up plays were Siewert, Colter, and Carlson, lanky ends; Chaney, Luchetta, Pederson, Hrovatin, Lewis, and Regitz, speedy guards; Golseth and Erickson, centers; Heiss and Schurman, rugged tackles. The quick-thinking backs were Kostecky, Patterson, Knight, Heiss, Johnson, and Tarrant.

Frosh-Soph Gridders are Looking for Varsity Berths

Because of lack of experience and size, Coach David Koch's Barons didn't have a very successful season this year. The "Little Dukes" had an uphill fight from the start of their campaign, as their first two opponents were Evanston and Elgin, powerhouses in their respective leagues.

York journeyed a way up north with the thought of a possible upset in mind. This, however, was quickly nullified as the huge host team set them back 33-6. The next week the Barons went to Elgin to make it two in a row over the Watchmen. (York F. S. last year defeated Elgin 18-0; the first York team ever to beat an Elgin aggregation in five years.) But York was reversed this year 30-6.

Koch and Cady Guide Barons Through a Tough Season

The following week the Barons made their first home appearance against Leyden. The "Little Dukes" played hard and spirited ball, but victory was snatched from their grasp as the final gun sounded with York on Leyden's four-yard line, and they were again pinned with a loss, 13-12.

York had one consolation, however, in trouncing our old rival, Glenbard, by a convincing score of 38-0. With the running of John Monaghan, Lynn Tarrant, and Mickey DiGennaro, the brilliant passing of Walt Kirk, and a good, hard charging line, the Barons completely overwhelmed the opponents from Glen Ellyn.

Consistent stand-outs of the season were Dave Nygren, who played practically every position on the team; John Teschner; Bob Stanton, a newcomer from Bensenville; and Bob Gillaspay, the team's only numeral winner from last year.

Captain Birks Steers Dukes to Third Place in Conference

Second Row: T. Barr, W. G. Turner, J. Daily, L. Serfling, J. Hehl, B. Jacobson, K. Eirkhenberger, and
 Coach Kirk.

The crafty Dukes started the season out at a slow dribble by losing their first two non-conference games by a comparative close score. Shooting for their first hardwood home game, they defeated Leyden 39-35. This was a tune-up for their first W. S. C. opener against Maine. This completed their winning streak of two, but it was shortlived when Hinsdale defeated them 48-46. The next night they climbed up the hill to Glenbard and whipped them 44-38.

They started out the 1951 season in good style by crushing Downers Grove 44-32. The next Friday they played the LaGrange Team and lost by 56-38. After that, the dribbling got better to start a five game winning streak for them. Three of them were conference games.

Varsity Hoopsters Display Sportsmanship and Team Work

At the end of the season the Dukes had a 7 and 5 record that put them in a tie for third place with the Red Devils of Hinsdale in W.S.C. standings. This could not have been so if they did not have the driving power of Head Coach Birks.

Through the season the Dukes were inspired, when the going got tough, by Captain Tom Teschner. In the first quintet were two sophomores, Dave Nygren and Wally Kirk who was high scorer with 151 points and also received honorable mention along with Teschner. Close behind Kirk was Neil Thode who made the second team All-West Suburban. Boldebeck was the rebound artist of the season.

VARSITY SQUAD: **First Row:** Nygren, Kirk, Boldebeck, Teschner, and Thode. **Second Row:** Birks, Robertson, Mgr., Trepte, Schurman, Downey, Karasek, Krause, and Burrows, Mgr.

Coach Cady Leads York's Barons to Successful Season

SOPHOMORE BASKETBALL SQUAD: **Front Row:** Teschner, Olson, Hartman, Golterman, McConnell, and Shineflug; **Second Row:** Cady, Barth Kollar, Stein, Hoffman, and Stanton; **Third Row:** Backliff, McGr., Kindl, Gillaspay, and LaFrance, McGr.

Opening their first conference game, the underclassmen dropped, Ma'ne, and then Hinsdale by a margin of four points. They were both heart-breaking games. They soon lost their losing streak by winning their next three conference games Glenbard, Riverside, and Downers Grove. It was short lived by mighty LaGrange quintet team.

The Barons traveled to East Aurora and came home with a loss. But with their brother West Aurora the York cagers had a taste of victory once again. Starting the second round of the Conference, York was tripped up by Maine, but rolled over Hinsdale. Once again the Barons sent Riverside and Downers Grove through the mill. To finish up this season the Barons had to scramble at the hands of LaGrange.

Through the season the boys performed in front of the crowd most of the time. At guard was Shineflug, Olson, and McConnell; at forward was Teschner and Hartmann; at pivot post was Goltermann, team's high scorer with 129.

This year's frosh-soph, hard wood artists, ended a tough season with the honors of second place in the West Suburban Conference standing with a five and four record. This could not have been done if they were not coached by a hard working coach, Mr. Cady.

The Barons opened their season with a bang by crushing their first two foes, Thornton and St. Edwards. Next York played host to Leyden and suffered a 41-29 loss. After this loss Coach Cady assembled a cloud scraping team which proved very helpful through the season.

Real Grunts and Groans Are Made by York's Matmen

Varsity grapplers of York made their second bow this year with a record of 2 wins and 7 losses. Along with them, the frosh-soph team made its initial bow with a two and three record. This was its first year at York.

This year York lost two men to the Armed Forces, Captain Tom Patterson and Burt Schweppe. Jim Pennington was chosen captain to finish out the season. For next season, Carroll Knight was chosen to lead them through as captain.

Nine mat men went to the District at Riverside. They were as follows: Charles Schmook (103), Bob Williams (112), Roger Christiansen (120), Ken Ragnetti (127), Fred Kirchner (133), Jim Pennington (145), Carroll Knight (154), Bill Pedersen (165) and Marvin Chaney (heavyweight).

Williams, Christiansen, and Pedersen each won two matches before being eliminated. Pedersen took fourth place in his weight class.

York Harriers Make A Excellent Showing This Year

York's cross-country team, ably coached by Mr. Heinhorst, was very commendable this year. York, led by three returning lettermen from the 1949 squad—Captain Coseglia, Teschner, and Cozart—and three new additions—Smith, Behmer, and Lenhart—proved this to be one of its better seasons.

York opened its cross-country schedule by defeating Glenbard 15 to 44. In the second contest, York was defeated by a powerful Maine squad which finished third in the state meet. In the next two meets, York harriers were running true to form by trouncing Downers Grove 21 to 42 and knocking off Hinsdale 27 to 28. The Riverside-Brookfield contest, which was called off because of bad weather, was run off in the Conference meet, and York won it.

York placed fourth in the District Meet at Proviso. Coseglia, who finished sixth, missed a trip to the state meet by one man. Smith and Teschner came in fourteenth and fifteenth respectively. York came in third in the Conference Meet behind Maine and La Grange. Coseglia placed first with 9 minutes 44.9 seconds, a new record. Smith finished sixth. Both received medals.

With Captain-elect Smith, Behmer, Lindsay, and Bales returning, Coach Heinhorst hopes for a bright future for his squad next year.

York Experienced Netmen Are Back at the Nets Again

Varsity Tennis: First Row: Neumann, Koucky, Siebert, Burke, Downey, and Teschner; Second Row: Borneman, Larkin, Jones, Peterson, McCartney, Coach Kunze, Maxson, and Pedersen.

York's 1951 tennis season promises to open brilliantly and end with a bang for its netmen, provided they show the stuff they have been exhibiting during early practice session this March.

Coach Kunze is optimistic with his five returning lettermen, Gordon "the Max" Mason, Bruce Peterson, Tom Teschner, John Koucky, and Bill Pedersen; a prospective star up from Coach Giuntoli's frosh-soph team, John Goltermann; and an equally capable supplement of other juniors and seniors, Walter Larkin, Bruce Downey, Dick Burke, Leonard Neumann, Ed Nelson, Dick Borneman, Duane McCartney, and Ken Jones.

Last year's Dukes finished fifth in the West Suburban Conference ahead of Glenbard and Downers Grove, while the Barons settled for the fourth position in the frosh-soph division.

INDIVIDUAL PICTURES: Clockwise: Jim Pettigrew, Jack Harris, Warner Moseitch, Jim McDonald, Fred Hadley, and Ken Eichenberger.

York's Divotmen, under the able guidance of Coach Pratt, show to all indications that a good bunch of golfers are out this season.

York's top hopes are for Jack Harris, the team's only returning letterman; Ken Eichenberger; and Fred Hadley, all of whom are low 80's shooters. Bruce Johnson, Ron Greyheck, Ray Lynnes, Bruce Carlson, and Warner Moseitch round out the team. Mr. Pratt also sees promise in two sophomores, Ron Hatherly and Don Shrader.

The two big meets for the Dukers are the District, where they qualify for the state meet, and the West Suburban Conference Meet. The linksters practice at the White Pines Golf Course and sometimes on the campus to get in the right form. Their home matches are also held at White Pines.

York Grabs Second-Place Trophy at Naperville Relays

This year's Eastmen are handled as usual by Coach East along with Coach Stefani, who is in charge of field men. The familiar beat of spikes is heard as the boys are loosening up to prepare for their first indoor meet with LaGrange.

York cindermen received a second-place trophy just behind LaGrange in the Naperville Relays. The Eastmen climaxed the indoor season at the Oak Park Relays, where 43 schools from all over the state competed. York received 9th place and Bud DeMoss received a trophy for first place in the 50 yard dash.

Western, P. Sonderegger, L. Forgue, C. Jordan, B. Dailey, R. Johnson, C. Stasi, W. Tarr and B. Byrne.

Although Mr. East lost some valuable men through graduation, he still has excellent material with which to work. Bob Yde and Ray Wirkus are working hard on the pole vault; Bud DeMoss is holding down the 50- and 100-yard dashes, and Glen Schricher, Pete Baugh, Paul Addy, John Coseglia, Doug Kirchner, and Don Trepte are filling in the relay teams and longer runs. Junior John Smith is doing very well on the mile run. Burt Boldebuck and Ted Schurman are both back again this year earning honors for the team by hopping over the high-jump bar. In the shotput division, Ed Schoenfeld is capably filling the shoes vacated by Paul Luhrsen. Bob Winkley in the high and low hurdles and Fred Davison in the broad jump round out York's track team, which is going to make itself known this season.

The crack of the bat is heard as York starts its 1951 baseball season. It should prove very fruitful, as the first pre-conference game against Leyden showed 12 to 1 in favor of the Dukes. The first conference game was played at Hinsdale, where the six returning lettermen, Guy Tarrant, Neil Thode, Jack Schmelzer, Del Mittelheuser, Ted Larson, and Al Achepohl, along with other promising teammates, really showed their stuff to the Hinsdale nine. The score was 10 to 3 with Warren Woltman losing a shutout game by one meager pitch.

The next week the Dukes were very busy. Tuesday they chalked up a tie with Downers 2 to 2. That Thursday when they were host to Maine, the score at the end of the game was in favor of York 3 to 2. The next week the sluggers went up the hill to Glenbard where they took home a 4 to 3 victory.

Although Coach Kieffer lost Casper, Ross McPartland, Southon, Diedrich and Sykora, he is confident about this year's prospects and knows his team will make a strong bid for the championship.

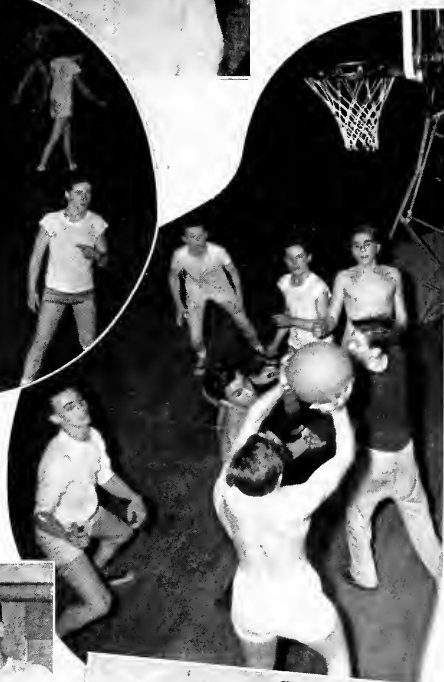

Intramural Gives Year-Round Recreation to Many Boys

York's intramural sports program, under the direction of Mr. Black, provides year-round activities for more boys than any other extra-curricular activity in York. The program follows the pattern of the varsity sports season, with touch football in the fall, basketball in the winter, and track and baseball in the spring.

The freshman championship team in touch football was Ewald's. To each one of the players on the winning team Mr. Black awards a shield.

Basketball had the biggest turnout of the season, with about thirty-five teams competing on week nights. The captains of the winning teams were McCormac, freshmen; Riter, sophomores; and Luchetta, upperclassmen.
